Public Information Act and Policy

Teacher Retirement System of Texas

The Public Information Act

The Public Information Act (“Act”) — Texas Government Code, Chapter 552 — gives you the right to access public records of the Teacher Retirement System of Texas (“TRS”). TRS’ officer for public information and the officer's agent may not ask why you want them. All government information is presumed to be available to the public. Certain exceptions may apply to the disclosure of the information. TRS will promptly release the following sorts of requested information: information that is not confidential by law, either constitutional, statutory, or by judicial decision; information that is not excepted from disclosure by a previous determination of the Office of the Attorney General (OAG); or information for which an exception to disclosure has not been sought.

Rights of Requestors

All people who request public information have the right to:

- Receive treatment equal to all other requestors.
- Receive a statement of estimated charges in advance.
- Choose whether to inspect the requested information, receive a copy of the information, or both.
- Be notified when TRS asks the OAG for a ruling on whether the information may or must be withheld and receive a copy of TRS’ written comments.
- Lodge a complaint with the OAG regarding any improper charges for responding to a public information request.
- Lodge a complaint with the OAG, county attorney, or criminal district attorney regarding any alleged violation of the Act.

Responsibilities of Requestors

All people who request public information have the responsibility to:

- Submit a written request according to TRS’ procedures.
- Include enough description and detail of the requested information so that TRS can accurately identify and locate the requested items.
- Cooperate with TRS’ reasonable requests to clarify the type or amount of information requested. A public information request is considered withdrawn if the requestor does not respond in writing to TRS’ written request for clarification or additional information within 61 calendar days.

Procedures to Obtain Information

1) The information request:
   a) Submit a request by mail, fax, email, or in person to the TRS contact identified below.
   b) Include enough description and detail about the information requested to enable TRS to
      accurately identify and locate the information requested.
   c) Cooperate with TRS’ reasonable efforts to clarify the type or amount of information
      requested.

2) Information to be released:
   a) You may review it promptly, and if it cannot be produced within 10 business days, the
      public information officer or the officer’s agent will notify you in writing of the
      reasonable date and time when it will be available.
   b) Keep all appointments to inspect records and to pick up copies. Failure to keep
      appointments may result in losing the opportunity to inspect the information at the time
      requested.

3) Cost of records:
   a) You must respond to any written estimate of charges for copies of requested
      information within 10 business days of the date TRS sent it and in the manner required
      by law or the request is considered automatically withdrawn.

      For requests requiring TRS to program or manipulate data, you must respond to TRS’
      cost estimate within 30 calendar days of the date TRS sent it and in the manner
      required by law or the request is considered automatically withdrawn.

   b) If estimated costs to provide copies of requested information exceed $100.00, TRS
      requires a bond, deposit, or prepayment.

   c) Certain requests may qualify for a waiver or reduction of charges after TRS has
determined the cost to provide the requested information.

Updated: September 27, 2018
d) Make a timely payment for all accepted charges. Before processing a new request for information from you, TRS requires a deposit or bond for payment of unpaid amounts on prior requests exceeding $100.00.

e) For purposes of TRS’ requesting a ruling on disclosure (see below), your information request is considered to be received on the date TRS receives any required deposit or bond for anticipated costs or unpaid amounts. Failure to pay any required deposit or bond within 10 business days after TRS sends you notice that such deposit or bond is required will result in your information request being automatically withdrawn.

4) Information that may be withheld because of an exception to disclosure:

a) By the 10th business day after the later of TRS’ receiving your written request or any required deposit or bond, TRS must:

i) request a ruling on disclosure from the OAG and state which exceptions apply;

ii) notify the requestor of the referral to the OAG; and

iii) notify third parties if the request involves their proprietary information.

b) Failure to request a ruling from the OAG and to notify the requestor within 10 business days of receipt of the written request for information will result in a presumption that the information is open unless there is a compelling reason to withhold it.

c) Requestors shall receive a copy of TRS’ written comments to the OAG. If the comments disclose the requested information for which a ruling is sought, the requestor will be provided a redacted copy. Requestors may send a letter to the OAG arguing for release of the requested information.

d) The OAG must issue a decision no later than the 45th business day from the day after the OAG received the request for a decision. The OAG may extend the time for issuing a decision by an additional 10 business days.

e) TRS may not ask the OAG to reconsider a ruling, but TRS may seek clarification of the OAG's ruling or challenge it in court.
