

ONBOARDING DETAILS: DIRECT TRANSFER EMPLOYEE

Welcome to TRS from the Employee Payroll and Time Administration Team.

During New Employee Orientation (NEO), we discussed information regarding Payroll and Time Administration. This document summarizes the topics discussed and items that may require your immediate attention.

CTIA

Confidential Treatment of Information Acknowledgement (CTIA)

Internal agency policy mandates users acknowledge the Confidential Treatment of Information Acknowledgement (CTIA) before accessing any Comptroller systems or databases. All employees must formally acknowledge that they will comply with the security policies and procedures of the agency.

Begin the online acknowledgement process by clicking the following link: <https://fmcpa.cpa.state.tx.us/ctia/>

Please select agency **323 - Teacher Retirement System of Texas** when completing the online acknowledgement.

After you receive the e-mail confirming you have completed this acknowledgement, please forward the e-mail to DL Comptroller Security Access. (comptrollersecurityaccess@trs.texas.gov)

Please complete this process within the first two days of employment.

CAPPS

Accessing CAPPS-HR/Payroll

After the TRS Comptroller Security Access team receives your CTIA acknowledgement, you will receive two auto-generated emails from the Comptroller of Public Accounts (CPA).

CAPPS HUB Direct Transfers

- The first email will contain your CAPPS User ID number which consist of 11 numerical digits. Retain this number for your records as you will need it to access the CAPPS-HR Payroll system.
- The second email from **no-reply@myaccess.dir.texas.gov** will include your Texas Digital Identity Solution multi-factor authentication enrollment link which is the CPA's multi-factor authentication process. This email may be received the day after the first email that includes your CAPPS User ID number.

Note: The enrollment link will expire after 72 hours and is valid for only one use.

The following desk aid provides instructions on the process:
