Did you know?

Eye exams also allow eye care professionals to take a noninvasive look inside the body, which provides an opportunity to detect up to 30 chronic medical conditions, even before symptoms occur.⁸

Have you heard?

79% of adults use a form of vision correction, including glasses and/or contact lenses⁶

The monthly premium rate for vision insurance for you and your family is **less than four** medium cups of coffee per month.⁷

Here's an example of how TRS-Care Vision could work for you:

Dennis drops and breaks his glasses on the way to work. Later that day, Dennis visits his MetLife network optician, who reviews all the available options and helps Dennis select a new pair of glasses. TRS-Care Vision helps him save⁵ on his new glasses.

This is a hypothetical example for illustrative purposes only.

Additional value to enhance your vision

Access to a **hearing exam and discounts⁹ on hearing aids.¹⁰**

Access to **20-35% discounts⁹ on LASIK.¹¹**

Download a **convenient mobile app** to review plan info, find a provider, and more.¹²

Available lens enhancements¹³ include polycarbonate lenses, scratch-resistant coating, blue light filtering and progressive lenses.

Diabetic Eyecare¹⁴
TRS-Care Vision provides more coverage for members who have been diagnosed with Type 1 or Type 2 diabetes and have specific ophthalmological conditions. In addition, members with diabetes who don't show signs of diabetic eye disease are eligible to receive preventive retinal screenings.
